Occasional Childcare

We offer excellent community-based childcare in a safe and nurturing environment.

GNH Occasional Childcare provides care and educational activities for children to promote their physical, social, emotional, and intellectual development. We feel this gives you, the parent, trust and security whilst your child enjoys being part of an environment that is fun, friendly, and stimulating.

We provide care for children aged between 6 months to school aged with no more than 16 children per session.

Our Program

Our experienced staff plan according to the Early Years & the National Quality Framework as we believe that every child is an individual with different interests and needs.

A day at the Occasional Care program provides a balance of planned sessional experiences appropriate to your child's age and skill levels. There is supervised free play, utilising a wide range of toys and equipment. Experiences include painting, puzzles, climbing and sand play. Each day the children enjoy outdoor play in our wonderful playground environment.
